

**California Consumer Privacy Act (CCPA) Addendum
(revision October 2019)**

This CCPA Addendum (this "Addendum") dated as of the date last signed below, is incorporated into and forms a part of the master agreement, purchase order, or other terms under which the vendor identified below ("Vendor") provides services to Looker, along with any associated data protection agreement and/or terms ("Agreement") entered into by and between the Vendor and Looker Data Sciences Inc. ("Looker"). This Addendum sets forth the terms and conditions relating to compliance with the California Consumer Privacy Act of 2018, Cal. Civil Code § 1798.100 et seq., ("CCPA") and related regulations, as may be amended from time to time. In the event of a conflict between this Addendum and the Agreement, this Addendum will control when applicable. Capitalized terms identified in this Addendum shall have the same meaning as defined in the CCPA, unless otherwise noted. The parties agree as follows:

Vendor shall comply with the CCPA. For avoidance of doubt, Vendor is a Service Provider and not a third party as described in the CCPA. Therefore, Vendor shall not:

- (a) Sell the personal information.
- (b) Retain, use, or disclose the Personal Information for any purpose other than providing the services specified in the Agreement. Specifically, Vendor shall not retain, use, or disclose the Personal Information for a Commercial Purpose.
- (c) Retain, use, or disclose the Personal Information outside of the direct business relationship between the person and Looker.

Vendor certifies that it understands its obligations under the CCPA and will comply with them. Notwithstanding anything in the Agreement or other document, the parties acknowledge and agree that Looker's provision of access to Personal Information is not part of and explicitly excluded from the exchange of consideration, or any other thing of value, between the parties.
